Camp Cedarbrook is owned and operated by Lakeview Ministries. Our mission at Lakeview is to provide opportunities of growth, inspiration, and recreation for people of all ages through a year-round outdoor ministry. Camp Cedarbrook is an expansion of our existing facilities of Camp Lakeview and Lakeview Villages. These facilities have been designed to provide high quality summer camp experiences and retreat facilities geared towards youth and young adults. We also accommodate many school groups, adult retreats, and corporate events throughout the year. It is our hope that we can meet any of your groups needs.

## Facility Rental Information

## Open Air Pavilion

The pavilion is located adjacent to the parking lot, playground, and athletic field and provides the ideal setting for your next large picnic or gathering. This 40' x 60' open air structure has a concrete floor and can accommodate a large group for many different types of events.

There are benches and picnic tables located under and around the building so that it can be set up for meeting or dining. The close proximity to the playground and athletic field allow for lots of space to run, play, and support a variety of activities.

**\$75 per Day**

Includes exclusive access to the pavilion, shared access of the bathhouse, and use of common areas around the property.

## Cedarbrook Lodge

This beautiful 150+ year old log cabin provides the perfect setting for your event. The facility is renovated with modern equipment to provide for many different groups and a variety of uses while also maintaining its rustic setting.

The cabin is surrounded by a large wrap-around covered porch that is perfect for sitting and enjoying the surrounding property.

When you first enter the lodge you will find a full residential style kitchen. Just off the kitchen on the main level is a large lounge with a wood burning fireplace. This area can also be rearranged into a dining room.

The upstairs is divided into two rooms. At the top of the stairs you will find a cozy sitting area. The next room is a large meeting space that can accommodate groups up to 50 people and is equipped with a white board, projector, tables and chairs, and a small refreshment area.

**\$150 per Day**

Includes exclusive access to the Lodge and covered porch surrounding the lodge. Also includes shared access of the bathhouse and use of common areas around the property

## Rustic Camping

The back of the property is ideal for primitive camping with many secluded areas for your group to gather. These spots are nestled amongst mature growth trees that provide privacy and shade throughout the camping area. While there are many hills to hike around the property, the camping area provides many flat areas for pitching tents.

In the middle of the campsites is a privy with water available after a short hike to the front of the property. There is no electric currently located at the camping area.

Campsites are filled on a first come first serve basis, we do not currently have any designated camp sites. We have fire pits spread out around the camping area and tents can be pitched anywhere around the fire pits. (Please only burn fires in the designated fire pits.)
