

WHY COME TO THE WOMEN'S RETREAT?

To get away...

from the stresses and distraction of a busy life and from the routine of the ordinary.

To laugh...

with other women of God, in a community where even if you come knowing no one, by the end of the weekend you leave with a whole new group of sisters.

To recharge...

in a place filled with peace and beauty, allowing you to hear the still small voice of God and to take intentional time to remember who you are in Him.

To be...

Loved. Encouraged. Challenged.
Refreshed. Filled. Known. Accepted.
Appreciated. Strengthened. Changed.

HOW TO REGISTER

RETREAT THEME:

THE GREAT CONNECTOR

We were created by a relational God.

God is The Great Connector. He designed humans to be in community with Him, and He created us to be in community with each other. We don't roam this great big world on our own, whether in marriage, family, or friendship. If community is a true piece of God's plan, how do we move toward embracing connection? How can we begin to do meaningful life together?

Join us this fall as we use the book of Colossians to explore what it looks like to live in intentional Christian community through the ups and downs of a challenging life. Though many things will remain a mystery until we see our Savior face-to-face, we can see how God fills us right now in every way through the mighty and mysterious Body of Christ, the Church.
