Lakeview Ministries Lodging Overview

At Lakeview Ministries we have two sides of camp, our **Camp Lakeview side** and our **Lakeview Villages side**. Each side is adjacent to Lake Road. It requires a short drive or a 10-15 minute walk to get from one side to the other.

All sleeping facilities are equipped with heating and air conditioning. All beds are twin-sized bunk beds.

Our **lodges** (Village Lodge, Mohegan, and Quapaw) offer dorm style accommodations with carpeted rooms containing two bunk beds, and shared bathrooms/showers a short walk down the hall.

Our **cabins** and **Village Clusters** offer more rustic accommodations with wood walls and brushed concrete floors, and a shared bathhouse/shower building that is a short outdoor walk away.

SLEEPING FACILITIES

The rates for any of our facilities, meals, programming, etc. cover the basic expenses of your stay at camp, but do not make a profit. In addition, each self-cooking group is required to attend a kitchen orientation at the beginning of their retreat, and a kitchen check out at the end of their retreat to ensure proper health code and cleaning standards are followed.

- *A group wishes to use the Camp Lakeview Dining Hall to cook for themselves but has not rented out enough of the Camp Lakeview sleeping facilities to offset the applied rate.*
- *A group has rented the Village Lodge but is a very small group (less than 20 people staying less than 3 nights).*
- *A day group wishes to use the Dining Hall or Village Lodge for meals or meetings.*
